SMART LOTIS

Smart lotis is the best known fixture within the Smart family. The deeply recessed cone which holds the light source inspired the designers to create a very versatile spot to be combined with multiple accessories. This family’s styling is based on our most popular designs. Concretely this means that the luminaires consist of a LED module which can be combined with one of three trims to suit your needs. The new spotlights can be combined with Smart mask, Smart surface box or Smart surface tubed to form the perfect solution for any interior. Choose a white, black or gold finishing.

Art. Nr US_12445246

SPECIFICATIONS

Lamp 1x LED Array
Driver driver excluded - requires housing or Smart surface box with driver (see below)
Cut-out size ø 2 3/4
Weight 0.79kg
Min. distance 4 in.
Location rating suitable for damp locations
Glow wire test webterm_lifetime L80 B20 @ 50.000hrs
CRI 90
Power supply 350mA 500mA 17.8Vf 18.4Vf
Connected load 6.2W 9.2W webterm_lumen 658lm 884lm
Efficacy 106lm/W 96lm/W
UGR 20 21
Adjustability Not Applicable
