

VAEDER LED

With a name derived from the verb 'evade', it is clear from the start that Vaeder will run a mile from the merely average. This new fixture feels equally at home in an energy-efficient, ergonomic office environment as in a home office. Its characteristic honeycomb structure in combination with a wafer-thin diffuser reduces glare to a minimum, whilst Vaeder's ground breaking LED lighting results in an energy-efficient and high performing office fixture.

Art. Nr. US_14080174

SPECIFICATIONS

Lamp	1x LED Array 32W
Driver	driver included
Weight	9.24kg
Min. distance	
Power supply	120-277V
Location rating	suitable for damp locations
Glow wire test	
CRI	90
webterm_lumen	2245 Lm
Efficacy	61 Lm/W
UGR	17
Adjustability	Not Applicable
