

## VAEDER LED

With a name derived from the verb 'evade', it is clear from the start that Vaeder will run a mile from the merely average. This new fixture feels equally at home in an energy-efficient, ergonomic office environment as in a home office. Its characteristic honeycomb structure in combination with a wafer-thin diffuser reduces glare to a minimum, whilst Vaeder's ground breaking LED lighting results in an energy-efficient and high performing office fixture.

Art. Nr. US\_14080175

## SPECIFICATIONS

|                 |                             |
|-----------------|-----------------------------|
| Lamp            | 1x LED Array 32W            |
| Driver          | driver included             |
| Weight          | 9.24kg                      |
| Min. distance   |                             |
