

STOVE TRACK LED 0-10V

A fixture which is both sleek and playful. Its name wasn't chosen at random: from below, you can clearly see the outline of a stove, with the asymmetric foot as the flue. Stove is the result of pure geometry and has been perfected down to the smallest detail. Although the lamp has robust, clearly defined lines that do not merge into each other, it still retains a perfect balance. The unusual thing about Stove is the two pivot points which make this spotlight a particularly versatile and highly directional light source. Designed by Couvreur & Devos.

Art. Nr. US_11878109

SPECIFICATIONS

Lamp	1x LED Module 9.2W
Driver	driver included
Weight	2.65 lbs/kg
Min. distance	
Power supply	120-277V
Location rating	dry locations only
Glow wire test	
CRI	90
webterm_lumen	744 Lm
Efficacy	62 Lm/W
UGR	17
Adjustability	h 360° v 90°
Remark	! to be used with GLOBAL Trac Pro XTS (manufactured by Nordic Aluminium)

	WARM WHITE 2700K / CRI 90+
	MEDIUM 25°
black struc	US_11878132
white struc	US_11878109
