

LOTIS 3.2 LED DE

Lotis is the recessed spotlight which started it all. The hallmark of this luminaire, is the deeply recessed cone which holds the light source and has a fine edge. Choose white, black, aluminium or gold for a different lighting experience or to match with the interior decoration. Asy lotis has all the features of a normal Lotis family member but has one additional benefit: assymetry. The light shines down at an angle of 28°, which creates an attractive wash effect on the wall. Asy lotis completes the full range of the Lotis family and blends perfectly with the other members of the family in the same space. Available in different sizes, colours and variants (directional or non-directional).

Art. Nr. US_11457909

SPECIFICATIONS

Lamp	1x	
Driver	driver excluded - requires housing	
Cut-out size	Ø 3"	
Weight	0.68kg	
Min. distance		
Location rating	suitable for damp locations	
Glow wire test		
CRI	90	
Power supply	350mA 17.8Vf	500mA 18.4Vf
