SMART LOTIS

SMART LOTIS 4.5 WET LED DE

Smart lotis is the best known fixture within the Smart family. The deeply recessed cone which holds the light source inspired the designers to create a very versatile spot to be combined with multiple accessories. This family’s styling is based on our most popular designs. Concretely this means that the luminaires consist of a LED module which can be combined with one of three trims to suit your needs. The new spotlights can be combined with Smart mask, Smart surface box or Smart surface tubed to form the perfect solution for any interior. Choose a white, black or gold finishing.

Art. Nr.US_12757046

SPECIFICATIONS

Lamp 1x LED Array
Driver driver excluded - requires housing
Cut-out size ø 4”1/4
Weight 1.3kg
Min. distance 4 in.
Location rating suitable for wet locations
