

MARBUL 1X LED 350MA 0-10V/TRE DIM 1% DI

Marbul feels at home on both the wall and ceiling, which makes it ideal for both residential and hospitality projects. With fully integrated technology, it's a perfect ready-made solution for renovation projects as well. Marbul presents an ingenious design, where the body holds one or two globes, each with its own dedicated LED module. The elegant surface mounted luminaires enable you to direct light with a simple twist of each lamp-unit. Thanks to its streamlined gearhouse the 1, 2 or 3 spheres appear to float against the ceiling. The unique magnetic coverplate keeps screws and wires neatly out of sight.

Art. Nr. US_11500709

SPECIFICATIONS

Lamp	1x LED Array 6W
Driver	driver included
Weight	
Min. distance	
Power supply	120-277V
Location rating	suitable for damp locations
Glow wire test	
webterm_lifetime	L80 B20 @ 50.000 hrs
CRI	90
webterm_lumen	737 Lm
Efficacy	87 Lm/W
UGR	15
Adjustability	h 360° v 45°
Remark	! must be combined with magnetic reflector ! JA8 certified
