

SMART LOTIS 1.9 WET LED DE

Smart lotis is the best known fixture within the Smart family. The deeply recessed cone which holds the light source inspired the designers to create a very versatile spot to be combined with multiple accessories. This family's styling is based on our most popular designs. Concretely this means that the luminaires consist of a LED module which can be combined with one of three trims to suit your needs. The new spotlights can be combined with Smart mask, Smart surface box or Smart surface tubed to form the perfect solution for any interior. Choose a white, black or gold finishing.

Art. Nr. US_12862646

SPECIFICATIONS

Lamp	1x LED Array	
Driver	driver excluded - requires housing	
Weight		
Min. distance		
Location rating	suitable for wet locations	
Glow wire test
